Jolly Discoveries Course 1

Jolly Phonics

An Introduction to Jolly Phonics

Morning Session

Registration: 9.00-9.30

Course: 9.30-12 midday

Morning tea will be provided.

Course Focus

- Jolly Phonics as a synthetic phonics program;
- The 5 skills of Jolly Phonics;
- Introducing blending as another cueing system in the reading process;
- Explore the skill of segmenting as a spelling strategy;
- Implement the program into your existing literacy program;
- Hands-on strategies to implement into your classroom.

This course is for ES1 and support teachers beginning with the Jolly Phonics program or for those teachers who are self taught and would like more.

Jolly Discoveries

Jolly Discoveries Course 2

Jolly Grammar 1

Bringing Grammar to Life

Afternoon Session

Registration: 12.30-1pm

Course: 1pm – 3.30 pm

Afternoon tea will be provided

Course Focus

- A look at the advanced alphabetic code.
- See how the writing process begins with Jolly Phonics and develops with Jolly Grammar.
- Learn how to implement a systematic spelling program into your Literacy program.
- Find out how to make the teaching of the basic grammar concepts fun and meaningful for the children.

This course is aimed at Grades 1 and 2 classroom teachers, support teachers and teacher aides.

Registration form for both courses

on the back

Inservice Presenter: Santina DiMauro

Santina is an experienced teacher and literacy consultant who has taught in both State and private Catholic schools. She is well known in the education field through her advocacy of Synthetic Phonics and the success she has achieved with the reading and writing levels of young students. Santina has also worked with youth who have had reading difficulties. She has trained teachers and parents throughout Australia, United Kingdom and Asia.

Course Costs:

Register in Course 1: \$85

Register in Course 2: \$85

Register the same teacher in both courses: \$160

Lunch will be provided for those teachers attending both courses
